## **The Glenny Glass Co. Five Year Laminated Glass Limited Warranty**

The Glenny Glass Company warrants its laminated glass **for a period of (5) years from the date of manufacture** to its immediate customer only, against defects in manufacturing resulting in edge separation that materially obstructs vision through the glass surfaces.

The Glenny Glass Company is not responsible for any warranties that its customer provides to subsequent customers or other end users of the Product.

If the laminated glass product fails to conform to the Limited Warranty as described above, The Glenny Glass Company must be notified in writing of such failure and must be given the opportunity to inspect the laminated glass before its removal from any end product or installation/glazing system. Liability under the Limited Warranty for defective laminated glass product is limited, at The Glenny Glass Company's exclusive option, to replacing the laminated glass product without charge at the original point of delivery or, in the alternative, a refund of 100% of the original net selling price to its customer. **Labor costs or any other replacement, installation, or fabrication costs are not covered by this Limited Warranty.**

The Glenny Glass Company's liability is limited solely to its responsibilities under this Limited Warranty. In no event shall Glenny Glass be liable to any person or entity for indirect, special, incidental, or consequential damages or charges for any reason.

### **CONDITIONS THAT VOID THIS LIMITED WARRANTY**

If any of the following events have occurred, The Glenny Glass Company will have no liability under this Limited Warranty.

1. If the glass surfaces or panes are broken or fractured.
2. If the laminated glass is subjected to standing water or other liquids.
3. If the laminated glass product is damaged or altered by handling, storage, fabrication or installation contrary to the written installation instructions of the glazing system manufacturer, or general industry standards covering glazing as published by GANA, IGMA or AAMA.
4. If the laminated glass is attacked by incompatible glazing lubricants, glazing soaps, incompatible glazing gaskets, glazing sealants, incompatible cleaning fluids, moisture or building runoff, gluing or attachment of films, direct contact with paints, adhesives, solvents or insulation, or exposure to solvent/chemical fumes, corrosive/abrasive compounds, or contact with abrasive items.
5. If the laminated glass was discarded or destroyed.
6. If the laminated glass is installed in watercraft, solar collectors or commercial refrigeration products.

**EXCEPT FOR THE EXPRESS LIMITED WARRANTY DESCRIBED ABOVE, THERE ARE NO EXPRESS OR IMPLIED WARRANTIES AND THERE ARE NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO THE LAMINATED GLASS OR ANY PART OR COMPONENT THEREOF AND NO WARRANTY SHALL BE IMPLIED BY OPERATION OF LAW OR OTHERWISE.**

No variation or change from this Limited Warranty will be binding upon The Glenny Glass Company.
